WURLITZER TO CONTINUE MODELS 1400 AND 1450 IN LINE

**WILL UTILIZE CURTAILED MATERIAL ALLOTMENTS
TO BEST SERVE WURLITZER OPERATORS**

The amount of critical materials allotted to Wurlitzer for phonograph production has been substantially reduced. To utilize these materials to your best advantage as a Wurlitzer Operator, Wurlitzer plans to continue the Models 1400 and 1450 in its line regardless of any future additions to it.

What it means to you is this!

You will still be able to buy 24-record, 48-selection, all-speed Wurlitzers, recognized as the finest phonographs available... the right size for any location—styled to stimulate play and engineered with such proven money-making features as high speed cycling and single button selection.

With the 1400 and 1450 you can still use your present library on 78 RPM—or—you can convert to 45 RPM and play current hits with the terrific customer appeal of watching the small records in action.

We at Wurlitzer believe that continuing these two great models in our line is definitely to your advantage—and will reflect to your profit.

We further predict that, in the face of ever stiffening restrictions, the demand for Models 1400 and 1450 will far exceed the supply.

We suggest that you review your routes—inventory your equipment—and then see your Wurlitzer Distributor AT ONCE.

"Just Folks"

Here is a romantic magazine.

One that has built a following on personalities.

And personalities, they tell us, is what count with people like you and us who are just "people".

Like you and us, these are the people who want their children to have everything "we didn't have".

Just plain people.

Just people. In fact, the "common run". The people who made this the greatest and finest country on earth.

The people who made a great nation zoom up out of a wilderness.

That's us.

We're the people.

And this romantic idea of a magazine that is strictly devoted to a certain trade, a certain people, this is the magazine that we bring you week after week—all year 'round.

This, my friends, is *The Cash Box*.

Captained by "people". People who know each other as "just folks". And that's the way we want it to be. Now, and for the years to come.

So, if you too, are "just folks", "just people", we're with you—in fact, we're your kind.

Let's all kind of grip into this thing—this business of ours—this livelihood that we are getting from operating, jobbing, distributing and manufacturing coin operated equipment in all its classifications . . . as well as recording, manufacturing and selling juke box tunes and records.

We're just people, aren't we?

Aren't we the people who help the people?

Aren't we supplying entertainment and services and merchandising—automatically?

Aren't we sort of doing a job—in a way—for all the people—to make things just a bit brighter and easier and happier for everyone concerned?

Well, we "just folks", here at *The Cash Box*, kind of want you "folks", out there, to feel that we, too, are like you.

That we are driving ahead for you. That we are trying with all might and main to make this, your business, a more solid business. A better business. A grander and more respected business.

That we "folks" are like you "folks", who also want "our children", just like "your children", to enjoy the things that "we folks" didn't have to enjoy.

Sort of carry on with us for we are for you. And want to help you and work with you. And cooperate and do things that you feel we should do — if you'll only tell us more often what you want us to do for you. So that we can all enjoy better times and grander fun and live and laugh and be prosperous and happy.

Why shouldn't we, in the coin machine industry, enjoy the things that others in other industries claim as "theirs"? Aren't they "people" just like we're people"? Flesh and blood and sorrow and heartache? And, when you add it all up—just momentarily here?

So, as Xmas comes around and as the New Year sort of sticks its little, frozen, red nose 'round the corner—let's all of us kind of remember—"we're just folks"—"just people"—just the kind of "friends" who are asking you to be friendly to us, and to like us, for we want to do what you want to do, and be good to you like you are good to us.

All of us "folks" here at *The Cash Box*—wish all of you "folks"—a very, very, merry Xmas.

Wishing You the
Merriest of Merry Christmases
and the
Happiest of Happy New Years

SYMBOL OF ACHIEVEMENT

When the attainments of a lifetime are added up and evaluated, the honors a person receives for honest achievement almost always turn out to be his most cherished reward—and most enduring. For after he has worked for all the other things an individual may aim at, and no matter whether he has attained further successes or not, the honor he earned is his, undeniably, beyond all recall.

In the music business, there are many things a person may set his sights for. Almost all, and that includes the artist, the publisher, record company officials and everyone else concerned, are working for financial security. Moreover, in our business, there is the peculiar reward of public acceptance—applause, fame and all the other things which are associated with the entertainment world.

But perhaps most important of all is the knowledge that the work we do brings success to the people we're doing it for. Every artist wants to know that his record is the one that brings coins into the machines. Every publisher wants his tune to be the current hit. And every record company official wants it to be on his label. Naturally they want these things because it means income to them and the promise of more to come. But beyond all this, it means that they have done a successful job—something everyone in the world is aiming for, no matter what his life's work may be.

For the past six years, we here at *The Cash Box* have been celebrating these successful jobs with our annual awards. And in these six years, *The Cash Box* award has come more and more to be the symbol of achievement in the music and record businesses.

Here are these men and women, the juke box operators—who as a whole are the greatest single market for records in this country—voting for the artists, the tunes, the records that made the most money for them. Here are no hypoed sales figures, no publicist's dream. Here are the simple facts as the juke box operators of this nation know them.

The artists they vote for are literally the most successful ones. For they are the ones who succeeded in a way which all understand. They garnered the most play during the year.

To those who receive a *Cash Box* award therefore, goes the unquestioned accolade of the music world.

And the award is lasting in its meaning, unchanging. Through all the years to come, through the vicissitudes and glories that we all experience, that award remains as the undeniable symbol of a great accomplishment.

When all the money has been counted, when all the applause has been heard, all the fame enjoyed, *The Cash Box* statuette, simple in its beauty, will remain the honor which neither time nor fortune can tarnish.

DISK OF THE WEEK

"WHEN IT'S SLEEPY TIME DOWN SOUTH" (2:38)

"IT'S ALL IN THE GAME" (2:45)

LOUIS ARMSTRONG & GORDON JENKINS ORCHESTRA

(Decca 27899; 9-27899)

LOUIS ARMSTRONG

GORDON JENKINS

● The top level of this disk offers the unique vocal styling of Louis Armstrong and the masterful baton twirling of Gordon Jenkins. Add to this a lovely oldie that has the qualities of coming to life again and you have a lid that's destined for a long ride. Louis delivers one of his typical warm and charming vocals and backs it up with his fine trumpeting while Gordon and the orchestra supply the necessary musical setting. The slow and easy

going tune called "When It's Sleepy Time Down South" is certain of making plenty of noise. The under half is another powerful entry in the form of a current biggie and Louis again does a great job with this ballad. Here too the orchestra is really shown to wonderful advantage and gives the side an added lift. Ops oughta wake up now to the tremendous potentialities of the first end—it's loaded.

"YES YOU ARE" (3:10)

"LOVE LIES" (2:15)

CONNIE HAINES & NEAL HEFTI SEXTET
(Coral 60600; 9-60600)

● Connie Haines and the Neal Hefti Sextet get together on the top level and present ops with a soft and soothing version of a pleasant tune. The Cavaliers help out with the vocal here as well as on the bottom deck which is a grand novelty number. Both lids look good and ops oughta watch them.

"HONEY" (2:19)

"DON'T CRY, LITTLE GIRL" (2:26)

ACE HARRIS
(Coral 65072; 9-65072)

● Ace Harris delivers a fine instrumental on the upper deck. It's an oldie with a good version that carries the tune home successfully. The second half is a rhythm number that receives a pretty vocal and is backed well by the orchestra, with a piano standing out to good advantage. It's a toss up.

"TRY TO FIND A LITTLE KINDNESS" (2:30)

"LET'S ALL SING LIKE THE BIRDIES SING" (2:03)

JOHNNY GILBERT ORCH.
(Mercury 5755; 5755 x 45)

● Johnny Gilbert's orchestra comes through with a jump number on the top deck as the Quintet gives out with the vocal. The bottom half is an oldie done in straight style with the sound of birdies in the background. This might make filler material for some spots.

"BLUES BOOGIE" (2:20)

"COCOANUT GROVE" (2:13)

JERRY BYRD
(Mercury 6362)

● A couple of good instrumentals are offered here by Jerry Byrd. The first is a very slow unusual thing which sounds real blue. The second half has an Hawaiian sound and it too is pleasant to hear. Ops with the right locations should do fine with these.

BEST BETS

In the opinion of The Cash Box music staff, records listed below, in addition to the "Disk" and "Sleeper" Of The Week, are those most likely to achieve popularity.

- ★ "TELL ME WHY".....Eddie Fisher..... RCA Victor 20-4444; 47-4444
- ★ "LAY SOMETHING ON THE BAR".....Louis Jordan..... Decca 27898; 9-27898
- ★ "I LIKE IT, I LIKE IT"..... Vaughn Monroe Orch. RCA Victor 20-4403; 47-4403
- ★ "BERMUDA"..... Bell Sisters..... RCA Victor 20-4422; 47-4422

"THE TWELVE DAYS OF CHRISTMAS" (2:59)

"GRANDFATHER KRINGLE" (2:46)
BURL IVES
(Columbia 90138; 4-90138)

● Burl Ives takes a Christmas standard and gives it a very appealing rendition. With Percy Faith and the orchestra doing the backing, this comes out fine. The lower end is a yodeling number which Ives also handles well. Here too Percy Faith takes care of the musical background.

"LAY SOMETHING ON THE BAR" (2:35)

"NO SALE" (2:42)
LOUIS JORDAN AND HIS TYMPANY FIVE
(Decca 27898; 9-27898)

● A novelty with a good set of lyrics gives Louis Jordan one of his most potent sides in a long while. Louis goes through this one in real top rate style and makes it a potential standout. On the flip he comes up with a jump tune which again gets his typical treatment. The top side looks very good.

"I LIKE IT" (2:45)

"ONE LITTLE RAINDROP" (2:20)
BONNIE DAVIS
(Coral 65074; 9-65074)

● A potent half is waxed by Bonnie Davis on the upper level. The tune is good and the arrangement dished up by Bonnie and the Picadilly Players make the lid top rate material. The under dish is a ballad that's done easily by the same artists. The top end is the one to keep a close tab on.

"I MISS YOU SO" (2:30)

"ANOTHER DAY" (2:45)
THE CATS AND THE FIDDLE
(RCA Victor 20-4393; 47-4393)

● Two pleasant ends are turned out by the Cats and the Fiddle on this new release. The first level has the small instrumental group backing, a nice vocal and choral work while the lower siding has the same combo doing justice to a slow ballad. Both halves offer good listening and ops might take a peek.

"WHAT COULD I DO?" (2:43)

"WEAPON OF PRAYER" (2:53)
THE HARMONEERS QUARTET
(RCA Victor 20-4391; 47-4391)

● The Harmoneers quartet turns up with some lovely harmony on the top deck and takes an interesting religious sort of thing for a pleasant ride. The lower dish is not done with the same dynamic quality of the first side but just the same comes out ok. Ops in the right locations should tune in here.

"IN A PERSIAN MARKET" (2:34)

"I'LL SEE YOU IN MY DREAMS" (2:51)
LEROY HOLMES ORCH.
(MGM 11126; K11126)

● A rhythmic number that sounds exciting is taken for an enjoyable ride around the wax by the Leroy Holmes orchestra. This instrumental should prove to be a good coin catcher. The bottom dish features the Three Beaus and a Peep with a wonderful oldie. The top level is our choice.

"SANTA CLAUS IS COMING TO TOWN" (2:59)

"CHRISTMAS MEDLEY" (2:58)
SAMMY KAYE ORCH.
(Columbia 39575; 4-39575)

● A Xmas standard gets a Sammy Kaye working over on the upper end and comes out as listenable fare. The Kaydets harmonize on the lyrics as they take this one slow and easy. The bottom end is a medley of Christmas carols sung by the Kaye Choir. These sides make for good holiday listening.

"ONLY YOU" (2:33)

"THE BLOND SAILOR" (2:33)
FRANKIE YANKOVIC & HIS YANKS
(Columbia 39630; 4-39630)

● An old Italian melody is brought up to date with new lyrics and handled very nicely by the singing duo of Carl Paradiso and Mary Ann Taylor. This top half should draw well. The lower level finds Carl taking the vocal of a good ballad by himself. Frankie Yankovic and his Yanks set both sides up with a fine instrumental accompaniment. Either lid can go.

"I'LL BE HOME FOR CHRISTMAS" (2:27)

"I NEVER LOVED ANYONE BUT YOU" (2:26)
MOOSE JACKSON
(King 4493)

● A standard Xmas tune is given a feelingful going over by Moose Jackson on the first deck. This slow version should go well. The bottom dish is a lovely ballad that is on the receiving end of a good vocal and backing. The second side has more to offer in the long run.

"MAYBE YOU NEED A NEW SWEETHEART" (2:19)

"UNDECIDED" (2:02)
GAYLE WALTON
(Pyramid 373)

● A couple of organ solos are dished up by Gayle Walton on this new waxing. The first deck is a nice sounding number that should do ok if placed in the right locations. The lower lid is an organ interpretation of a current jump tune. The upper level deserves the attention of ops.

"SHUT THE DOOR" (2:50)

"I IDOLIZE MY BABY'S EYES" (2:55)
JOHNNY LONG ORCH.
(King 15117)

● A pleasant novelty number is run through in a pleasing manner by the Johnny Long orchestra on the upper side. Rod Kinder and a chorus turn in a fine job on the vocal. The lower lid offers Jimmy Sellar with another novelty item that lacks the appeal of the first end. Ops oughta tune in on the upper level.

"THANKS" (3:13)

"WALKIN'" (3:14)
JUNE HUTTON
(Decca 27870; 9-27870)

● A very pretty ballad is carried softly by chirp June Hutton. Her vocal plus the musical setting by Axel Stordahl and the orchestra make this top lid an interesting one. Flip is a bluesy sort of thing that June handles well and gives a fitting interpretation. Our nod goes to the first side.

Record Reviews

Only Records Considered Best Suited To The Requirements Of The Trade Are Reviewed On These Pages.

"TELL ME WHY" (2:45)

"TRUST IN ME" (2:38)

EDDIE FISHER

(RCA Victor 20-4444; 47-4444)

● The upper lid can easily step out as Eddie Fisher, backed by the Hugo Winterhalter group, gives his usual dynamic vocal treatment to a lovely ballad. Again on the flip side Eddie and the orchestra give out with a wonderful job to another likely ballad that appears to be strong. Either end can go but we look for the upper one to break first.

"PIANA ANNA" (2:35)

"THE BOOM-ZING SONG" (2:51)

THE HONKY TONKS

(RCA Victor 20-4408; 47-4408)

● A novelty ditty done in the oft-recorded honky tonk style is turned out by the Honky-Tonks. The group offers lots of lively piano and choral singing and makes the end a listenable one. The second dish is a similar number that the boys handle effectively. Ops can choose from either half.

"JALOUSIE" (2:46)

"DON'T BE THAT WAY" (2:32)

LUIS ARCARAZ ORCHESTRA

(RCA Victor 20-4407; 47-4407)

● A wonderful oldie that is currently being revived is given another whirl around the wax by the Luis Arcazar orchestra. The group does a good job and makes this a worthwhile level. The under siding is a jump number that has an unusual sound for this aggregation. The top deck is the one to watch.

"GOT NO MONEY" (2:29)

"ELEANOR" (2:39)

NICOLA PAONE ORCHESTRA

(RCA Victor 20-4396; 47-4396)

● Two funny novelty tunes are given a good send-off by the Nicola Paone orchestra. Each lid receives vocals that are done with Italian accents and as a result the disk has a sincere humor to it. The instrumental behind the vocalists adds much to the appeal of both halves. Ops in need of such material oughta check here.

"BRIGHT GIRL" (2:54)

"HOW'S BY YOU" (2:39)

WALTER JAWORSKI ORCHESTRA

(RCA Victor 25-9245)

● The top level is a happy sounding polka that's run through with a lively tempo by the Walter Jaworski orchestra. The bottom half is another polka that's sung by Linda Chase and Henry Borawski in a foreign tongue. The second lid needs specialized locations in order to be fully effective.

SLEEPER OF THE WEEK

"RIVER STAY AWAY FROM MY DOOR" (2:52)

"THE LADY DRINKS CHAMPAGNE" (2:37)

RICHARD HAYES

(Mercury 5763; 5763 x 45)

RICHARD HAYES

● An oldie which gets a terrific rendition from Richard Hayes looks as though its gonna have another round of popularity. The dynamic singer takes "River Stay Away From My Door" and gives it

the kind of workout which could easily make it step out. Ops are certain to gather in plenty of coins with this one. Following up the style of singing which he started in "Out In The Cold Again," Hayes really gets in the groove with this one which is tailor made for that sort of presentation. With Joe Reisman coming through with an unusual arrangement, and a stimulating chorus in the background, this side looks like a natural. The bottom half is a ballad which Hayes does in straight fashion again with Joe Reisman conducting the orchestra. The side which looks good is the first one. Ops will be going with a great bet if they go with this one.

"IT'S ALL IN THE GAME" (2:55)

"ALL OVER AGAIN" (2:45)

BETTIE CLOONEY

(King 15150)

● Bettie Clooney has a pair of current ballads working for her on this waxing. The upper half is a slow number with a very pretty melody and Bettie does it justice with her vocal. Flip is a tune taken from the rhythm and blues field and here too Bettie, assisted by the Elliot Lawrence orchestra, brings it in smoothly. Ops can choose from either deck.

"CHARMAINE" (2:55)

"MEMORIES OF YOU" (2:48)

BURNIE PEACOCK ORCHESTRA

(King 4506)

● An instrumental treatment of a current revival is belted out as a jump tune by the Burnie Peacock orchestra on the first side. The second side is another instrumental that's done in a slow and easy manner. A fine sax is featured on both lids. Ops should take a look at each half.

"JEALOUSY" (2:45)

"SIN" (2:46)

BURNIE PEACOCK ORCHESTRA

(King 4505)

● Two more instrumentals are hammered out by the Burnie Peacock aggregation. Both levels are excellent versions of tunes that are presently riding high. A fine sounding sax is shown to good advantage on each half and makes the disk a pleasurable one. Ops oughta take a gander.

"DON'T LEAVE MY POOR HEART BREAKING" (2:44)

"LOVIN' MACHINE" (2:34)

ELLIOT LAWRENCE ORCHESTRA

(King 15137)

● A folkish sounding ditty is handled easily by the Elliot Lawrence orchestra with a vocal assist by Rosiland Patton and Lloyd Copas. The second dish finds Rosiland heading into the rhythm and blues field for a tune and she winds up with a listenable platter. Ops have strong filler items here.

"I WANNA SAY HELLO" (2:24)

"AFTER YOU'RE GONE" (2:50)

SOPHIE TUCKER

(Mercury 5762; 5762 x 45)

● A tune that's getting a big send-off is waxed in the inimitable style of Sophie Tucker. It's a honky tonk thing that creates a night club mood in presentation and it might step out. The lower side is a standard of Sophie's that always has lots of listening to offer. The upper one deserves the close attention of ops.

"I LIKE IT, I LIKE IT" (3:14)

"TENDERLY" (2:42)

VAUGHN MONROE ORCHESTRA

(RCA Victor 20-4403; 47-4403)

● A cute novelty is tossed around by Vaughn Monroe and Shaye Cogan on the first lid. The fine vocal duo makes this a side to keep tab of. The lower level is a lovely oldie that comes out as an exceptionally pretty side. This end may very well kick off and ops oughta take stock of it now.

"BERMUDA" (3:14)

"JUNE NIGHT" (2:14)

THE BELL SISTERS

(RCA Victor 20-4422; 47-4422)

● A potent half is waxed by the Bell Sisters who not only handle the lyrics in a pleasing fashion, but in addition composed the tune themselves. The young girls have an attractive number for ops here. The lower deck is a cute little thing that has a nice melody and some good harmony too. It's the top one.

"I'LL SEE YOU IN MY DREAMS" (3:12)

"I WISH I HAD A GIRL" (3:20)

DORIS DAY

(Columbia)

● Two sides from the Doris Day Album are offered here. Both tunes are from her latest picture "I'll See You In My Dreams." The first side, of the same name, is a wonderful oldie that's treated nicely by Doris and the Paul Weston orchestra. Flip is another old ballad that comes out OK. The first side should get lots of play.

"MOTHER, AT YOUR FEET IS KNEELING" (3:11)

"LOVELY LADY DRESSED IN BLUE" (3:18)

AMES BROTHERS

(Coral 60628; 9-60628)

● A religious tune that's on the verge of breaking wide open all over is given another whirl by the Ames Brothers. Their version is loaded with appeal and it might easily share lots of the coin. The lower end is a similar tune that comes out fair. The upper level is our choice.

"I WANNA SAY HELLO" (2:31)

"LOVE LETTERS IN THE SAND" (2:38)

FRANK PETTY TRIO

(MGM 11141; K11141)

● The Frank Petty Trio, with Frank and Ricky and Mike Di Napoli sharing the load, turn out another waxing of a honky tonk affair that's making a lot of noise. The same artists handle a standard ballad on the bottom deck in an easy and listenable fashion. The first one might move on the momentum of the original.

"IF I CAN LOVE YOU IN THE MORNING" (2:36)

"FIND ME" (3:05)

EILEEN WILSON

(Decca 27880; 9-27880)

● A slow version of a novelty type number is doled out by Eileen Wilson. Her sultry feeling in presenting the tune should make it strong juke box fare. The under lid is a pretty ballad that Eileen does with a heartfelt rendition while backed with a fine musical setting. Ops have their choice here.

Dear Mr. Parnes:

On behalf of the RCA Victor Record Department I would like to express sincere appreciation for the valuable service performed by Cash Box magazine in polling juke box operators of the country to determine their choice of the year's best entertainers.

We are, of course, especially gratified that the 6th Annual Cash Box Poll has resulted in the selection of three of RCA Victor's outstanding artists as the top entertainers in their categories.

We are immediately extending our warmest congratulations to Vaughn Monroe and his organization selected as "the best orchestra of 1951"; to Pee Wee King, "best country and western artist of 1951"; and to Eddy Arnold, "the best folk artist of 1951".

It is through such surveys as the Cash Box Annual Poll that we here at the Record Department are enabled to continue to produce merchandise by top artists of the most practical benefit to the industry.

ROUND THE WAX CIRCLE

NEW YORK:

A phenomenon of this Christmas season was that no holiday songs made the best seller lists. Although the standards were due to get quite a play during the last week before Christmas, there wasn't too much emphasis on the newer material. . . . Reports from the Yankee Inn in Akron, where the

LES PAUL & MARY FORD

Four Aces recently completed an engagement, had them doing tremendous business. The same for their stay at the Show-Boat in Lorain, Ohio. . . . Morey Amsterdam signed with Decca Records last birthday, which, incidentally, was his birthday. . . . Elliot Lawrence has an unusual Christmas day engagement. He will be playing at the Michigan State Prison as part of the Christmas day entertainment for the inmates. To add a contrasting note, Lawrence will be playing, prior to this engagement, at a coming-out party for debutantes at Grosse Point Farms, near Detroit. . . . Johnny O'Conner comes up with a likely tune in "Monastery Bells," a love ballad, with reports of good play in California, Boston and Philadelphia. New singer Frances Yend cut it on King, with Fred Waring on Decca getting his share. . . . "My One And Only Love," a recent Songs For

Sale winner will be sung by Jack Haskell on the December 22 show. He recorded it on Coral. Harold Lee, general manager of Sheldon Music, publishers of the song, will be one of the judges on the panel. . . . "Nickelodeon Rag" has been assigned to Sun Music for England. Abbey Records has been getting excellent reaction to the Art Pallan recording. . . . Vaughn Horton, writer and publisher of "Ting A Ling," back from 4000 mile trip covering ops and dj's on the Ames Bros. and Marlin Sisters. . . . Les Paul & Mary Ford to get a gold guitar from Capitol for selling six million records. . . . Despite all reports to the contrary, Little Esther is still on the Federal label. . . . Sammy Kaye is completing arrangements with a Swiss manufacturer to have the original Kaye arrangements from his latest Columbia album, "Christmas Serenade" made into music boxes.

CHICAGO:

Merry Christmas and Happy Chanukah (they both fall on the same nite) to all of our many, many readers. . . . Looks like Lorry Raine and Tim Gayle have much to celebrate this holiday season. Lorry's latest disks going great. . . . Erv Victor and Bob Broz are two busy boys over at Jeb Records with some big surprises coming out very soon. . . . Cee Davidson's ork at the Chez has been welcoming 'em all for years now. Still can't understand why some major diskery doesn't wax this grand aggregation. . . . Ray Pearl went all out to help a little girl sell subs for magazines and sold over 160 of them so far. (That's the Xmas spirit). . . . Jimmy Martin and Morry Goldman have been working harder than ever with the big MGM line. . . . Studs Terkel seeking the great Mahalia Jackson for his Xmas show. Mahalia will simply wow 'em. . . . Erwin Barg is definitely proving himself a very great prophet. His "Charmaine" climbing and climbing. . . . Happy Birthday to Evelyn Sheridan. . . . The entire gang over at The Sampson Company have gone 'way out of their way to wish us all A Merry Xmas. . . . Arthur Godfrey advises us he's got "it" in his new platter, "Dance Me Loose." . . . David LeWinter is plenty busy at the Pump Room right now, but, but finds time to call around and wish one and all the very best of the season. . . . Jackie Brenston in town cutting new wax for Chess Records. And both Phil and Leonard Chess emerge with great big, big smiles after the session. They won't tell. But state, "Just wait." . . . Regular guy—Champ Butler—and another fiend for giving of his time to one and all who call for it. He's doing grand at the Oriental here. The kid's got pipes. . . . Del Wood playing the devil out of "Down Yonder" for the Oriental audiences. How that gal can thump those 88's. . . . Don Cherry, another very, very swell person, at the Chgo Thitter, and winning more and more friends. . . . Hal Tate now has his own public relations counsellor who told us all about that deal "in five figures" for Hal to do Screen Gems, Inc. deejay pics here in Chi.

CHAMP BUTLER

LOS ANGELES:

There'll be the usual round of Christmas parties this year, with most of the publishers and record companies slated to have an open door and open jug for the folks dropping in. . . . Off to an early start, and certainly the year's best as to top artist entertainment and juke box operator attendance, was the Leuenhagen get-together at Rodger Young Auditorium on the night of December 11. . . . For all the details, the folks who were there and news of the "normal goofoff choir," flip to the back of the book under California Clippings while we do a little skipping around in this column. . . . Had us a buzz from Ralph Bass, Syd Nathan's Federal A & R man, who's done a great job with the Dominoes and is about to set up his family out here once again after a long stay in New York. . . . Billy Sherman, formerly with Encore Music and now with George Simon, tells us Billy Eckstine's "Take Me Back" on the MGM label has kicked the tune off to a flying start with several other top labels to follow.

THE DOMINOES

Art Rupe of Specialty very proud about being the only label exec invited to officiate as judge of the beauty contest at recent Negro Shriners Convention in New York, and sorry he couldn't make it when he saw the beauty lineup his Eastern rep had to work with. . . . Another feather in RCA-Victor's bonnet and in Henri Rene's is the Bell Sisters, the 16 and 11-year old singers signed by him and heading fast for a hit first time out on "Bermuda," written by the older of the two youngsters.

Nice to chat with George Oliver, formerly ad chief of Capitol and now in charge of advertising for Leo R. Meyberg, RCA-Victor distrib. . . . Should get in a plug right here and now for the terrific job done by Joe Mathews, Capitol western promotion manager, and Columbia's Ray Woods, working out of the Ray Thomas distributing organization, in bringing out a prize galaxy of great entertainers for the pleasure of their very good friends and customers, the juke box operators and their families, at the Luenhagen party.

Wishing you the merriest
of Christmases and the most
prosperous of New Years —

Sincerely
Harry Como

The HALE You Say

by natt hale

From time to time, we find surcease in reflecting back on all that has transpired since we first became a whirling dervish in the record business in the early 30's, and we believe we have just cause to dwell on the future of the industry with all the optimism of a 1952 Republican. . . . Merely to substantiate this emotion, we set down the following as some of the reasons why this revolving world of ours continues to look brighter to our optic nerves:

1.—Frequent cocktail parties for artists. . . . More and more distributors are tossing off these afternoon sessions with all the trimmings, including better liquor, a gourmet's taste in fancy hors d'oeuvres, discriminating dress and almost a native Frenchman's pronunciation of Cordon Bleu de Georges Cinq. More and more d.j.'s get the opportunity to mingle with the artistes, generally becoming so chummy-wummy that, after some two or three quaffing sessions together, the artiste is thanking the d.j. for throwing the affair, the d.j. is speaking in praiseworthy phrases of the other platter-spinner who recently stole his top sponsor, and the distributor is plugging every other label but his own.

NATT HALE

2.—Disc jockey interviews of record representatives. . . . The nausea which formerly permeated the radio stations whenever a plugger entered upon the premises is now virtually dispelled. An unusual aura of friendliness is now much in evidence and we have observed some d.j.'s overdoing it to the point where they now offer the promoter a chair, cigarettes, candy, his address book (with his best numbers!) and the opportunity to address his vast radio audience. This permits the record rep to discuss his sensational new releases at length and to call the d.j. by his first name, as if they have been buddies since "It Ain't Gonna Rain No More" was the top pop seller. This comradery is communicated to the vast radio audience, who realize that the record business is just loaded with guys and dolls who are literally nuts about each other. And, sometimes, the songs that the d.j. asks the record man to have recorded aren't half-bad. And maybe his gal-friend isn't as bad a singer. (This is a singer?) as the disc rep first thought.

3.—Artist visitations while "on tour." . . . This has become the Number One requisite of any recording personality, it seems. Here, again, the first name of the d.j. is bandied about with reckless abandon, conveying to the vast radio audience in 39 states the fact that the d.j. and the artiste suffered the pains of gaining stardom together. This is divulged through countless references to sleeping in the park, sharing the cans of beans, the one-nighters they made together (in one sense or another), and the mutual joy they shared when each received "the big break." The only thing wrong with these disclosures is that the vast radio audience is often puzzled as to how many of the d.j.'s actually knew the artiste during the lean period of ascending the staircase to stardom and how many shared those one-nighters—with her.

Anyway, we're constantly being thrilled by newer, more progressive elements of this great, whirling world of the recording business. Before too long, mayhap we'll present some other developments brought to our attention. And mayhap we'll be able to state that we are taking our own personal place in these developments.

Like some of those one-nighters, huh?

Well—what're you gonna do!

A & R Heads of Major Disk Firms Discuss Records With Martin Block

NEW YORK—On his Saturday night show, December 15, Martin Block gathered some of the top A & R men in the city together to discuss before his radio audience the problems inherent to making records. Above from left to right are Morty Palitz of Decca; Mitch Miller, Columbia; Jimmy Hilliard, Coral; Martin Block; Dave Cavanaugh, Capitol; and Joe Carlton. Broadcast over WNEW, the show highlighted some of the issues involved in cutting records. It was brought out that of the 100 songs that are submitted to an A & R man each week, 20 are listened to a second time and about 4 or 5 are accepted. The general consensus was that the combination of a good song and rendition make a hit. Bringing to a head some of the points which are seldom revealed to the general public, the men involved discussed how they find new artists, judge material, cover songs etc. Reaction from the trade to the show was that such public discussions should occur more often.

Cash Box Staff Entertains Prior To Presentation of Patti Page Awards

NEW YORK—Before presenting Patti Page with her awards for having been voted the “Best Female Vocalist of 1951” and for having her rendition of “Tennessee Waltz” chosen the “Best Record of 1951” in the Sixth Annual Cash Box Poll, The Cash Box staff entertained her at dinner at the Roosevelt Grill in New York. Guy Lombardo who was playing at the Roosevelt joined the group and later Patti received her statuettes on the stage of the Paramount Theater where she was then singing. Left to right above are: Joe Orleck, Sid Parnes, Sid Kallner, Mrs. and Mr. Bob Austin, of The Cash Box staff; Guy Lombardo; Patti Page; Jack Rael, her associate; Kappi Jordan, her disk promotion rep; and Maurie Hartmann of Cherio Music.

Autry's “Rudolph” Leads Xmas Pack Again

NEW YORK—Now as classic for Christmas as “Jingle Bells” and holly wreaths, Gene Autry's Columbia recording of “Rudolph The Red Nosed Reindeer” in its third Yuletide season has raced past the 3,000,000 sales mark, according to Columbia's figures.

Gene Autry has been with Columbia Records longer than any other recording artist on the label. The famous cowboy star's disk sales just about reach the 30,000,000 mark.

Aside from his tremendous success on Columbia records, Autry occupies a unique position in almost every other branch of the entertainment field. He has been a top box office draw in motion pictures for fifteen years and was voted Hollywood's No. 1 Western star by theatre operators throughout the country. On the radio, Gene has had the same sponsor for more than ten years.

• The number underneath the title indicates the actual sale per 1000 records made for the week. If the figure is 67.4, it means that for every 1000 records sold that week, 67.4 were of the tune indicated—a combination of all the records on which it was available.

Production of Musical Instruments May Be Cut 25% In First Quarter of 1952

WASHINGTON, D. C.—The production of musical instruments may be cut 25% by the end of March because of reduced first quarter allotments of controlled materials.

The Musical Instrument Industry Advisory Committee, which represents about 60 manufacturers and assemblers of fretted instruments such as mandolins, guitars and stringed instruments, said that such a cut may impel the manufacturers to reduce their total labor force by nearly 1000 employees. Present employment in the industry, slightly below normal, is estimated at between 3000 and 4000.

Since the industry's break-even point is estimated at a production rate of between 80 and 90 percent of normal, a reduction of possibly 25% in the first quarter of 1952 would create serious difficulties within the industry, committee members said. If second quarter 1952 allotments are at the same rate as in the first quarter, an additional 10 percent cut in employment and production may be expected because of exhaustion of inventories.

Defense contracts have not been obtained by any firms, according to the committee's knowledge, although musical instrument plants turned out a variety of equipment during World War II—ranging from electronic assembly work to canvas pouches, surgical instruments and various small parts.

A committee member cited a competitive difference between the present situation and World War II, when non-military production of musical in-

struments was prohibited. Now a manufacturer who can obtain a defense contract for 100% of his plant facilities would run the risk in a couple of years of losing his market to other producers who continued their normal trade lines.

The National Production Authority indicated that it recognizes the fact that reduced allotments will cause grave hardships in many cases. However, in light of requirements ranging from 130 to 170 percent of supply of the controlled materials for the first quarter, dislocations in non-defense production cannot be avoided, NPA emphasized.

Manufacturers have also protested the importation of musical instruments, saying that foreign makers have a market advantage since their use of materials is not controlled as it is in the United States.

The industry committee asked particularly for relief on its requirements of nickel silver for frets. Frets are crosswires fixed at intervals in the fingerboards of mandolins, guitars and like instruments to establish the scale. They must be non-corrosive to withstand perspiration, soft enough to conform to the rounded shape of the neck and strong enough to stand up under pressure of steel strings.

One thousand pounds of nickel would make sufficient nickel silver fret wire to supply the whole industry for a year, the committee estimated. No good substitute has been found in spite of considerable experimentation by some companies.

NPA officials have agreed to study this problem.

Singers' Get-Together

NEW YORK—Tony Martin's party brought out some of the top names in show business recently. In honor of Tony's new picture, "Two Tickets To Broadway," the following were among those present (left to right): Johnny Johnston, Dolores Gray, Rosemary Clooney, Mimi Benzell, Fran Warren (in back), Tony, Jack Carter (leering over Tony's shoulder) and Carol Bruce. Party had another innovation: All disk jockeys present were able to record an interview with Tony through portable equipment which was at the party.

Hal Tate Signs Screen Gems Pact for TV Show

CHICAGO—Screen Gems, Inc., subsidiary of Columbia Pictures, which manufactures TV disk jockey musical shorts called TV Disk Jockey Toons this week signed an exclusive contract with Hal Tate to be the firm's exclusive producer-disk jockey in Chicago for two years starting January 1, 1952.

The music for the TV Disk Jockey Toons comes from currently popular recorded selections as well as standards while the video portion comes from special 3 minute shorts, capturing the mood of the musical number. 65% are live action films and 35% are of cartoon form.

Freddy Martin Celebrates 13th Year With Victor

NEW YORK — Bandleader Freddy Martin last week marked his 13th anniversary as an RCA Victor recording artist. He has been with that company longer than any other popular artist currently making Victor disks.

During his 13 years with Victor, Martin has "sold" more than 20 million discs, making him one of the biggest record sellers in the history of popular music. Best known of his Martin records during this period—and certainly the biggest seller—was his popularized version of Tschaikowsky's Piano Concerto in B Flat Minor, which started a trend toward popularizing of classics.

Some of Martin's other big records have been "I've Got A Lovely Bunch of Coconuts," "Cumana," "The Lady From 29 Palms," "Lily Belle," "Who Wouldn't Love You," "Bumble Boogie," "Intermezzo" and "Hut Sut Song" to name just a few.

During the past 13 years, Martin's orchestra has been the jumping off spot for other artists who eventually achieved fame on their own. Among them have been Claude Thornhill, Jack Fina, Barclay Allen and Russ Morgan. Two of Martin's current crew, Murray Arnold and Merv Griffin, also seem headed for individual fame through his recordings as soloists.

Dorsey's Manager To Take On Other Artists

NEW YORK—Jimmy Tyson, who is directing Tommy Dorsey's enterprises, is planning to expand the operation by going into personal management of other artists. Dorsey will be a partner in the operation. Tyson, who has had years of experience with Music Corporation of America, and Associated Booking Corporation, is now negotiating with several top artists in the singing and band field.

Tyson's recent three months booking of Dorsey in South America at a fabulous fee has resulted in a number of queries from artists and band leaders, which clinched Tyson's decision to handle other properties. Tyson is also producing a television show for Tommy Dorsey for presentation when Dorsey returns from South America.

Mercer Records Plans 1952 Expansion

NEW YORK—Mercer Records, the thriving new recording company started only last year by Mercer Ellington, intends to expand its activities in 1952.

Already firmly entrenched in the field of 78 r.p.m. records, the Mercer label aims to be equally prominent in the field of 10" discs. Sides by Al Hibbler, Johnny Hodges, Oscar Pettiford, and other leading stars are scheduled for release on both speeds.

Mercer Ellington himself, it was announced this week, will take an active part in the national promotion of the records. Also, for the first time, he will record for the company that bears his name, directing an all star orchestra assembled from some of New York's stock musicians, including members of the orchestra led by his famous father, the Duke.

Kickin' The Blues Around

with Sam Evans

Robert Q. Lewis has New York in his heart and poured same forth in his M. G. M. release "Grand Central Station". Bob in Chicago last week and running constantly from one radio station to another for interviews. This guy is great. . . . Paul Gayten, now on Okeh, has a honey in "All Alone And Lonely", and a sweeter honey in his swanky underslung Jaguar with which he drives most nonchalantly down Seventh Avenue. . . . Jack Elliott, writer of pretty ballads, has Nat "King" Cole and Billy Eckstine doing his latest, "A Weaver Of Dreams".

Lew Simpkins, bosswheel at United Records hit a lucky streak, opening for business with Tab Smith's "Because Of You" does a return with Tab's "Sin". Chess Records has parlayed moneymaker Jackie Brenston into the bigger time with a series of one-niters thruout the Midwest. Same diskery rootin' and tootin' over the success of "How Many More Years" by Howling Wolf. Gene Norman, West Coast Dee Jay of KFWB, is fast becoming a top producer of jazz shows; plans are now made for Ellington in January and then an Eckstine package in February.

Larry Darnell, America's bright young "punch" singer, played to a capacity house for his recent stay at N. Y. C.'s Apollo. Arnett Cobb, wildest man on a sax, had his band on stage too. Butter Beans and Suzie, ace comics, for lo these many years laying 'em in the aisles at Broadway's smart night club, SugerHill. Larry Steele, who sat across from us in 4th grade (that's as far as we went) is producing the show called "Smart Affairs." Billie Holiday, sultry singer of torchers now on Decca, with her first titled "Do Your Duty" b/w "The Blues Are Brewing".

James Edwards, who will be remembered for his part in "Home Of The Brave" comes up with a reading of "The Lord's Prayer" that is a pure masterpiece of elocution. This on Decca would make an excellent opener for an early morning disk show or as a closer for a late niter. Jay Johnson of WFEC in Miami is spinning platters to the delight of a constantly growing audience. Ivory Joe Hunter's legions of fans are eagerly awaiting the early release of his latest recordings for M. G. M. Ivory Joe's popularity is due to his untiring efforts to constantly improve his style and music. His diligence and adherence to perfection are bringing him dividends of that beautiful folding stuff. Joe Daily, formerly with Woody Herman, heading his own combo at Chicago's new Circle Grove Inn.

★ AWARD O' THE WEEK ★

"WAGON WHEELS" (2:47)

"THERE'S NO USE PRETENDING" (2:29)

THE RAVENS

(Mercury 8259; 8259 x 45)

THE RAVENS

● The wonderful blending of voices by the Ravens add up to a side that's destined to step out and go a long way. The presentation conjured up by this vocal group makes for top rate listening and should prove to be excellent juke box material. A lovely tune labeled "Wagon Wheels" provides the boys

with a melody that they put over with slow bounce. The lead vocal, a deep baritone, offers the lyrics in an outstanding manner while the rest of the boys supply a fitting and harmonious backing. The total effect is one to please listeners and ops, who can clean up on this disk. The lower half is a slow ballad that finds one of the other boys taking charge of the vocal and turning in an equally effective job. The tune is very pretty and the arrangement first rate and here too operators have a potent side. If ops wanna see those coins rollin' in, "Wagon Wheels" is the side to get with now.

"LEFT MY BABY" (3:04)

"WORK, BABY, WORK" (2:47)

LARRY DARNELL

(Okeh 6848)

● A good half is driven home by Larry Darnell and a hard hitting orchestra on the first level. This slow forceful number is treated royally by Larry and a fine sax. The lower dish is another driving thing that receives a good working over by the same combination. Ops oughta take a peek.

"OCTOBER TWILIGHT" (2:54)

"THAT'S RIGHT" (2:58)

CHRIS POWELL

(Okeh 6850)

● Chris Powell and his Five Blue Flames, assisted by a choral group, spin through a slow and pretty tune. Vance Wilson adds to the side with some fine tenor sax blowing. The second level shows the whole band to fine advantage as they give a driving number a thorough going over. Both ends make for good listening.

"GONE WITH THE WIND" (2:30)

"BLOW, MR. SINGLETON" (2:35)

CHARLIE SINGLETON ORCHESTRA

(The Atlas 002)

● A couple of authentic jump renditions are driven out by the Charlie Singleton orchestra on this new disk. The group goes through some wild instrumental arrangements in making both lids pleasurable listening. Charlie handles the lead sax and does a wonderful job. Ops are advised to watch this platter closely.

"LAUGHING ON THE OUTSIDE,
CRYING ON THE INSIDE" (2:45)

"COME ON UP TO MY ROOM"

(2:51)

THE MAJORS

(Derby 779)

● A feelingful treatment of a grand oldie is served up by the Majors on the upper end. It's done slowly and softly and it should gather some coin. The lower deck is a jump tune that boys really go to town on and bring it in handsomely. The top dish seems to carry a bit more appeal.

"UNDECIDED" (2:44)

"DIANE" (3:03)

BUDDY LUCAS BAND

(Jubilee 5070)

● A pair of interesting instrumentals are dished up by the Buddy Lucas band. The first deck is a current pop big seller and the group treats it to a grand jump rendition. The lower end is a lovely oldie that's carried slowly and easily by a nice sounding sax. Both lids offer good listening and ops oughta look in.

"SHE'S A COOL OPERATOR"

(3:00)

"GREEN AND LUCKY BLUES"

(2:40)

TAMPA RED

(RCA Victor 20-4399; 47-4399)

● Two similar sounding sides are belted home in a forceful manner by Tampa Red. The upper level is a slow blues number that features the fitting vocalizing of Red and in addition shows up his fine piano playing. The flip half finds Red carrying the same presentation to another listenable deck.

"FEELIN' SAD AND LONELY"

(2:45)

"BAREFOOT SUSIE" (2:27)

WAYMON BROWN

(Decca 48264; 9-48264)

● Waymon Brown does a first class job in handling the lyrics to a pleasant ballad on the top end. Backed beautifully by a sax this level should prove to be good juke box fare. The bottom dish is a fast moving number with a good hop to it and this siding may also be a potent half. Ops should tune in.

"TOO LATE, BABY" (2:31)

"TAKING NO CHANCES" (2:42)

CLARENCE "GATEMOUTH" BROWN

(Peacock 1586)

● Clarence "Gatemouth" Brown has a strong contender working on the first lid. A wonderful vocal plus a strong orchestrational backing mark this disk a real good one. Flip is a forceful blues item that's belted out in the typical style of the artist. The top one has possibilities and ops oughta tune in.

Victor Augments Rhythm and Blues Roster

NEW YORK — Augmenting its Blues and Rhythm artists roster, RCA Victor has within the past month signed several promising young performers to recording contracts, Paul A. Barkmeier, Vice President in charge of the RCA Victor Record Department, has announced. The new artists include TNT Tribble and Frank Motley, Jimmy McPhail, The Heartbreakers, Little Richard, Gene Parrish, and Bob Williams.

Geographically, the group represents the result of a coast-to-coast talent search conducted by Steve Sholes, RCA Victor Blues-Rhythm A & R topper. Tribble, Motley, and McPhail hail from Washington, D. C., where they are local favorites. Tribble is a drummer-singer featured in the combo fronted by Motley. Motley's personal specialty is playing two trumpets simultaneously. The two made their debut on RCA Victor records in two of Tribble's own compositions, "Cocoa Moe Joe" and "That's What Makes Me Love You So".

Fellow Washingtonian Jimmy McPhail is a popular night spot and radio singer whose latest RCA Victor disc is a pairing of "Artificial Leaf" and "That's How Much I Love You."

The nation's capital also contributed The Heartbreakers, a quintet consist-

ing of three tenors, a bass, and a baritone-guitarist. This unusually talented group consists of self-taught musicians who are engaged vocationally in such pursuits as selling insurance and truck driving. Their initial release was a pairing of "Heartbreaker" and "Wanda".

From Macon, Ga., comes little Richard, an 18-year-old blues shouter with a high in pitch but stylistically low-down. Currently making personal appearances in Kentucky and along the Dixie circuit, he is represented among new RCA Victor discs with "Taxi Blues" and "Every Hour".

The West Coast has yielded two baritones in the persons of Gene Parrish and Bob Williams. Parrish, who has a full-bodied voice which some jazz pundits have compared to that of Wynonie Harris, bowed with two original sides and has a new release pairing "Scraps For A Beggar" and "You Cut The Biggest Hog, Baby".

Newest addition to the Blues and Rhythm line-up is young Bob Williams, who created a stir on the Coast with one recording under an indie label and was promptly inked by RCA Victor for a premier with "On A Honky Tonk Hardwood Floor" and "Cry".

Carl Smith Launches Daily Radio Program

NEW YORK—Carl Smith, Columbia Records' Tennessee-bred folk singer and composer, will sing mountain tunes, strum a lackadaisical guitar and make casual comments on his music when he launches his own program on CBS Radio, Thursday, January 3.

The young singer, a newcomer to the Columbia label, already has more than one smash hit to his recording credit. His waxing of "Let Old Mother Nature Have Her Way" is currently high on the charts of most-played and best-selling Folk recordings in the nation. Other Columbia hits by Smith are "If Teardrops Were Pennies," "Mr. Moon," "Let's Live a Little" and "Me and My Broken Heart."

At 24, Carl Smith has become one of the star singers of the hillbilly tune, just as his present home, Nashville, Tenn., has become the Broadway of "country" music. The son of a Maynardsville, Tenn., farmer, he "farmed till he got into singin'" as a junior in high school, then joined the Navy for 18 months. He subsequently gained national recognition as a composer and singer.

Hank Williams (M-G-M) underwent a spinal operation at Vanderbilt Hospital in Nashville, December 13th. Surgery is hoped to correct an injury of long standing which has been causing increasing pain during recent months. Doctors expect to release him from the hospital by Christmas.

Gabe Tucker, formerly with Eddy Arnold's Show, now holds forth on KLEE in Houston as a disc jockey as well as with his own live shows. Along with his radio work he is kept busy recording on the Dot label, and with his weekly appearances at Houston's Cook's Hoedown Club.

The Carlisles are set for guest appearance on WSM's Grand Ole Opry (NBC network) for Saturday night, December 29th. They will also do another session while in Nashville. Group is a feature of WNOX's regular noon-time shows in Knoxville, Tennessee. A tune, "Too Old To Cut The Mustard," penned by Bill Carlisle of the group is currently building to the top with The Carlisles' record being the leader among several renditions. Their appearance on the Opry came from the national attention to their record of the song.

HANK WILLIAMS

Ted Brooks (Decca) set to play his guitar on Don McNei's Breakfast Club which originates from Birmingham via ABC Network on January 17th. Brooks came to the front with his penning and rendition of a tune entitled, "The Hot Guitar."

Johnny Martin, who holds the country record shows for KRMG in Tulsa, is well listened to in that area for his shows also contain weather reports and news headlines in which the farm folk would be interested. His show comes early in the morning. Johnny is a native Oklahoman and has been in every branch of radio and entertaining since his law degree from Oklahoma University.

WANN of Annapolis, Maryland brags of two country personalities. "Cousin Clyde" spins records twice daily as the friendly hillbilly, and Billy Strickland (King) carries live shows across the board along with his personal appearances in the area.

Skip Hathaway conducts "Skipalong's Rhythm Roundup" which features the country style recordings over KUGN in Eugene, Oregon. Station reports an increased interest in country tunes since Hathaway's joining the station several months ago.

Ray Whitley, Boston's WMEX country jockey, returning to Hollywood this week to return to Boston the first week of 1952. Whitley's shows have been taped for his absence. Wife, Kay, and daughter will return to Boston with him and set up housekeeping.

Don Owens, formerly d.j. of WGAY of Silver Spring, Maryland, has returned to the station as leader of The Blue Mountain Boys after his recent discharge from the service.

"MISSING IN ACTION" (3:06)

"A HEARTSICK SOLDIER ON HEARTBREAK RIDGE"
(3:00)

ERNEST TUBB

(Decca 46389; 9-46389)

ERNEST TUBB

● An appropriate song is doled out on the first side by Ernest Tubb. This half carries lots of meaning and true to life pictures. The melody is simple but has the interesting quality of holding the attention of the listener. Ernest delivers the lyrics in his usual warm manner and gives added in-

sight with his vocal presentation. The tune titled "Missing In Action" tells the story of a prisoner of war and the problems facing him on his return. Put to music this level offers a wonderful bit of listening and it's destined to kick off and make plenty of noise. The lower lid is done in the same vein and here too Ernest has a number that may easily take off. Both decks receive fitting musical settings that help create the proper moods. The upper dish is the one to watch and ops who wanna be there when the tune clicks oughta get with it now.

"MARK ME OFF YOUR LIST"
(2:29)

"LITTLE BLUE-EYED BLONDE,
GOOD-BYE" (2:33)

PETEPYLE
(Intro 6033)

● A simple tune is carried easily and smoothly on the upper end by Pete Pyle. Pete does a good job warbling the lyrics and makes this a listenable half. The bottom deck is similar treatment by Pete and his backing. Ops might take a peek here.

"STRANDED" (2:17)

"GRINNIN' LIKE A POSSUM"
(2:35)

BOOTS FAYE & IDAHO CALL
(Capitol 1871; F-1871)

● Some fine harmony along with good individual vocals mark the upper end. Boots Faye and Idaho Call handle the lyrics of this pleasant number and offer ops listenable material. The second level presents the same artists with a fast moving thing that carries much more appeal. Our nod goes to the under dish.

"DRUNKARD'S BLUES" (2:19)

"I FEEL LIKE A WRECK" (2:37)
ROD MORRIS
(Capitol 1882; F-1882)

● A strong item is waxed by Rod Morris on the upper level. It's a number with a pretty tune and a matching vocal that's doled out with lots of feeling. Another potent entry is turned out by Rod on the reverse side in the form of a bouncy ditty. Both lids look good and ops oughta take their cue.

"RAMBLIN' MAN" (2:19)

"PICTURES FROM LIFE'S OTHER
SIDE" (2:45)

LUKE THE DRIFTER
(MGM 11120; K11120)

● A bluesy sort of number with an exciting beat to it is doled out by the Luke the Drifter on the first deck. His soulful and tearful vocal help make this end a strong contender. Flip is a recitation by Luke to a fitting musical backdrop. The upper dish has the qualities of a disk that can make some noise.

"GENTLE HANDS" (2:48)

"HE IS THE LIGHT OF THE
WORLD" (2:30)

LEON PAYNE

(Capitol 1872; F-1872)

● A slow and lovely tune plus a fine vocal add up to a good half for Leon Payne. The presentation is very soothing and should make for lots of listening pleasure. The lower siding is a slow tune that carries a religious theme with it. The likely level is the first one and ops oughta check now.

"HEARTBREAK RIDGE" (3:00)

"TENNESSEE ROSE" (2:27)

WESLEY TUTTLE

(Capitol 1916; F-1916)

● A slow sentimental ballad is brought home in a pleasing manner by Wesley Tuttle. In addition, the top half offers a good sounding choral group and an organ. Flip is a bouncy sort of number that is done in a first rate manner by the same artists and this level comes out as the more appealing end.

"GENTLE HANDS" (2:55)

"ONLY ONE STEP MORE" (2:50)

RED KIRK

(Mercury 6363; 6363 x 45)

● An easy flowing ballad is done softly and warmly by Red Kirk who has a knack with tunes of this kind. An organ supplies the musical setting for this half. The second dish is a dreamy number that Red takes to easily and comes out with a good deck. Our nod goes to the top one.

"I DON'T MEAN TO BE MEAN TO
YOU" (2:30)

"ADVANCE WARNING" (2:23)

EARL "GRANDPAPPY" DAVIS
(Intro 6034)

● Earl "Grappappy" Davis has a simple ditty with a nice bounce working for him on the first side. It's a light number and should prove interesting material. Flip is plain tune that's given a thorough going over from Earl and his musical backing. Our guess would be the initial lid.

CANADA UNFREEZES

Canadian Ops Jubilant as All Foreign Exchange Restrictions Removed. American Firms Expect Sales Booms as Canadian Ops Seek Replacements for Worn Out Games and Phonos. See Open Account and Credit as Basis for Coinbiz Boom

TORONTO, ONT., CANADA — The unfreezing of all foreign exchange in Canada created a great deal of jubilation among coin machine operators thruout the entire Dominion, according to reports current here this past week.

With the news that Canadians could now spend their dollars anywhere in the world, travel freely once again, and use their money for purchasing what-so-ever they desired, many here saw a great upsurge in business ahead with manufacturers and distributors thruout America's coin operated machines industry.

Much of the equipment thruout the Dominion is old and worn. Many machines of World War II vintage, and even before that, are still operating.

Ops here want to release this worn out and old equipment with the latest type machines from the United States and, once again, boost collections.

Much of the boom of exports to the Canadian market will be due to leniency of open account shipments as well as credit facilities which can now be arranged, due to the fact that Americans can now get their money out of Canada, just as easily as they obtain it from any state in the United States.

The Canadian dollar is very strong at this time. It is now being quoted at \$1.025 on the current rate of exchange. (A few weeks ago, prior to this defreezing announcement, it was quoted at \$1.055 and \$1.65.)

It is believed, within a very few weeks, that the Canadian dollar will

find itself on a level with the American dollar, as trade gets under way, and that Americans and Canadians will be able to trade dollar for dollar.

Canada has always been one of the best export markets for American merchandise of all kinds. Manufacturers and distributors in this industry were constantly shipping into the Dominion.

It is believed that, with the market now wide open, the manufacturers and distributors are faced with a tremendous business ahead.

Most important, Canadian ops here report, will be automatic phonos as well as wall boxes and other music accessories. Many of these are desperately in need of replacement thruout the entire Dominion.

Ops predict many, many used machines will be exported into Canada by American distribs.

They claim that, with prices right, and the foreign exchange even, the market here in Canada should prove a real boom to America's coin machines industry.

Games, too, will now be imported by Canadian operators in large quantities. Most of the Canadians state, "We want the latest model machines for we realize that these are bound to help improve play action."

As always, Canadians state, the boom will be based on free credit arrangements between American and Canadian firms. Many of these operators here in Canada ask for a short credit term to get going once again.

Holiday Spirit Captures Coinbiz

CHICAGO — This city's big coin machines manufacturing, distributing and operating industry was captured, most completely, by Santa Claus this past week.

A cheery Christmas spirit prevailed at all coinmen's headquarters everywhere here in Chicago.

Liquid refreshment ran like rivers. There were holiday greetings being exchanged on phones, in person, by cards and telegrams thruout the town.

Leading factories took time out from their materials quotas woes and production problems to give big Christmas parties for all their employees and friends.

The same practice was followed by all the large operating organizations and, especially, by jobbers and distributors everywhere in this area.

What may have sounded like mumbled conversations to some long distance phone callers this past week, was only the over-imbibed, happy spirits of all those in the industry here who were enjoying Santa Claus' arrival, and were wishing one and all the merriest of Merry Christmases and the happiest of Happy New Years.

Most of the men here believe that 1952 will prove one of the biggest and best years this industry has ever yet enjoyed. Arguments are sound. Belief is that the predictions which have been made for '52, as a great year for the industry, will prove true.

(In the meantime, this reporter, like all others in this big shouldered, bustling, big muscled City of Chicago, is cutting this report short to once again yell: Merry Christmas and Happy New Year, to one and all everywhere.)

Everything Considered

IT'S BEEN A GREAT YEAR

Coinmen Claim

CHICAGO—Regardless of all the legislation, regardless of all the new rulings, lowered materials quotas, slashed production schedules, headaches and entirely new operating methods which have had to be adopted, coinmen thruout the entire big midwest claim:

"It's been a great year!"

They point to the fact that shuffle games came along to entirely revive many thousands of locations which were dormant for years everywhere in this area.

They also point to the better phonos. The fact that the pinball games which have been produced in 1951 were among the most outstanding and the most entertaining of all time.

They also state that much new type equipment has started to come to market which has opened the path for new effort and better operating conditions.

They do not fear the slashed materials quotas of the first quarter of

1952.

In fact, the majority are of the belief that this won't last too long.

And, anyway, they state: "It's a good rest for the average operator. He can catch up by amortizing whatever he purchased the last months of 1951. The breathing spell will prove tremendously beneficial."

Operators in this area aren't at all worried about the outlook for less parts and supplies for 1952. They claim:

"Regardless of what happens, as long as the nation is still supplied with electric current, we will be able to earn just as good a living as we have in the past."

"Furthermore," some state, "with the fact that, each and every week, more and more people will be getting into defense work, the industry will benefit because of its portability and economical entertainment."

ASCAP BILL COMES UP FOR HEARING ON FEBRUARY 4

Juke Box Industry To Take Stand In Opposition To Bill

WASHINGTON, D. C.—The date for the hearing of the Bryson Bill (the bill which would impose a royalty fee on juke box operators to the extent of 1c per side for every record in the box, payable to the owners of the copyright) before the Sub-Committee of the Judiciary, has been set for February 4.

The music machine industry has been alerted. Outstanding members of the industry will appear before the committee on that day and have their say.

It is known at this time that Sidney Levine, attorney for MOA as well as the New York music operators association; Albert Denver, president of the New York music operators association; George Miller, president of MOA; Hammond Cheffetz, attorney representing the manufacturers of automatic music machines; as well as a number of outstanding operators will present arguments opposing the Bill.

Before the initial hearing was postponed, only those in the music industry were heard. With the exception of a memorandum presented by an official of Columbia Records, representing the views of the five leading recording companies, those who spoke, asked that the bill be passed. The record companies stated they were emphatically opposed to the Bryson Bill.

Under the terms of the adopted merger agreement, the 12,285 shares of the parent company's preferred stock now outstanding will be converted into common stock of the new company, at a rate of four shares of common for each share of preferred. Common stock will be exchanged on a share-for-share basis.

THRU THE COIN CHUTE
MIAMI MURMURS

Seems like everyone from the cold and snowy North has been phoning down here to their favorite coinman and asking, "Is it true the sun's shining and temperature is in the 80's?" (For the benefit of the readers of this column: "It's true") . . . Biggest news of the past week, of course, was the first annual party of the AMOA (Amusement Operators). Dozens and dozens of the coinmen who were present at the smoothest affair ever run at the Clover Club, with its famed Hickory House cuisine and its gorgeous entertainment, all stated: "Why didn't we start this five years ago?" . . . So why didn't we? . . . Everyone had a grand time. . . . President Willie (Little Napoleon) Blatt was the one and only one who made anything that even resembled a "speech." He said, in less than two minutes' time: "Enjoy yourself." And believe you me—that's just what this big crowd did. . . . Lots of compliments to Davey Friedman and the very beautiful Mrs. Friedman for making all the arrangements along with Mr. and Mrs. Morris Marder. Morris is Veepee of the organization. . . . Ozzie Truppman, Ted Bush and his whole gang present and all had a very grand time. . . . Sam Taran, Eli Ross, and their wives and friends took up a big table and had pahenty of fun, too. . . . Si Wolfe, Gordon Williams, Joe Mangone and the charming Mrs. Mangone, Mr. and Mrs. Bert Lane (and Bert Lane's B. W. never looked lovelier), Mr. and Mrs. Raoul Shapiro, Joel Hoch, Mrs. Wm. Levey (Willie is in New York because his aged mother is very ill) . . . and so many, many others. . . . it was just a whirl of "hello's", "thank you's", "good bye's". . . . But, it sure was an affair to do the association plenty proud. Even if the organization was 57 years old the affair couldn't have been more pleasant. . . . Henry Dillin of Bahstin in town. Henry has decided that the climate here is better than what they have 'round the Back Bay. So, Henry says, he'll either get a job here or start operating. "All I want is to live here in Miami." . . . Maybe lots of guys 'round the country should think that over. Before it's too late. . . . Merry Xmas and Happy New Year.

Predicts Great Activity To Come Thruout Nation In 1952

Department Of Commerce States Upturn Will Come Soon In Defense And Other Industries

WASHINGTON, D. C.—The Department of Commerce reported this week that business activity, which has remained level for the past several months despite the mounting defense program, probably will take a new upturn soon.

In a survey of current business, the Department of Commerce found little change in October and November from the July-September rate.

A joint survey with the Securities and Exchange Commission, however, showed manufacturers' outlays for new plant and equipment probably would reach a peak of \$11,141,000,000 for 1951, compared with only \$7,491,000,000 last year.

This indicates an increase in future production, it was stated. Output has been increasing in defense industries, but declines in other lines have held total production unusually stable for the past six months.

The Department of Commerce survey pointed to these other factors as indicating "some further improvement":

- (1) Deliveries of machine tools rose 16 per cent, with a further rise indicated from now on.
- (2) New orders to manufacturers have climbed to about twice that of the same period last year.
- (3) Farm commodities are up.
- (4) Some prices which had dropped for six months before September now have about leveled off.

(5) Business inventories, exceptionally high earlier in the year, now appear to be about in line with current business sales.

It is pointed out that altho production of consumer durable goods declined, and will decline further in the months to come, the additional government orders will put the country's manufacturers on large scale production, which will mean greatly increased employment.

P.M. Speakers To Be Scarce

WASHINGTON, D. C.—In a meeting with the Permanent Magnet Manufacturers Advisory Committee for the first time with the NPA (National Production Authority) it was indicated that permanent magnets would become extremely scarce after the first of the year.

This means to the automatic music industry that permanent magnet speakers will be difficult to obtain.

The committee reported that about 80% of its output is directed into defense and defense-supporting industries.

A series of rules and regulations were drawn up for the permanent magnet manufacturers which will hold down the delivery of such magnets to any civilian goods manufacturers, especially producers of "B" products.

Runyon Looks To 1952 As Most Promising

Barnet B. (Shugy) Sugerman.

NEW YORK — Barney (Shugy) Sugerman, Runyon Sales Company, this city, reports that his firm enjoyed one of its best years in 1951.

"Featuring the equipment we do, how could it be otherwise" asks Shugy. "Our sales of AMI phonographs, Bally and Keeney games, and Permo needles has recorded for Runyon a banner year."

However, Sugerman, altho proud of his past record, isn't looking back—he's looking toward 1952.

"We know Bally and Keeney will give us money-making games for the operators," Shugy said, "and the continued sales of AMI's Model 'D-40' will be high. But, more than anything else, we shall have the sensational AMI Model 'D-80' for the operator after the first of the year."

Music Ops House Warming Party Attracts Over 200

ABC Music Service Corp. Officially Opens New Headquarters

CHICAGO—Probably the greatest tribute to any music operating firm was paid this past Saturday evening (December 15) at the official housewarming party of ABC Music Service Corporation, this city, to show the firm's new quarters to all the field in this area.

Temperature was approximately ten degrees below zero. Roads were icy. Radio commentators as well as telecasters were warning auto drivers to stay off the roads.

But, this did not prevent the getting together of one of the largest crowds ever to assemble at any operator's housewarming in this area.

Over 200 people came to see the new and impressively beautiful quarters of ABC Music Service Corp. at 5915 West Grand Avenue, this city, from 7 P. M., Saturday and remained until the wee hours of Sunday morn.

Employees of the organization received gifts this evening from Robert E. Gnarro, manager of the firm, who had decided to combine this official housewarming with the annual Xmas party given for all employees of the organization.

This year, tho, the employees turned around and, in appreciation of their very swell manager, presented Bob Gnarro with an unusually fine gift.

Food and drink were plentiful. Photogs were on hand taking pictures of the many notables who attended. People continued to pour into the new offices of the firm, which were gaily lighted and decorated all night long.

Streams of compliments continued all evening long as one noted oper-

ator after another praised Bob Gnarro on the beautiful and efficient quarters of the firm.

Banner In Production On New Shuffle Game Revamp "Match-A-Score"

I. H. ROTHSTEIN

AL RODSTEIN

PHILADELPHIA, PA. — Banner Specialty Company, this city, announced two weeks ago that it has created an amusement machine, "Match-A-Score," a refurbish of "Shuffle Alley" with a number of new innovations that have proved successful money-getters on location.

Headed by I. H. Rothstein and Al Rodstein, Banner Specialty is well qualified to produce refurbished games. It will be recalled by those in the trade that at the start of World War II, Al Rodstein successfully supplied the industry with several very popular refurbished and revamped pin games.

In 1942, Al Rodstein, heading the Arco Sales Company of Philadelphia, gave the industry "Thumbs Up," "Fishin'," and "Alert"—three games that made it possible for the operators to continue serving their locations thruout the early part of the war.

"We have made good use of this previous experience" stated Rodstein, "in producing our current 'Match-A-Score' game, which is perfect mechanically, and has a new appealing play that on location tests has brought in record collections. It was only after these most searching twelve weeks that we went into production."

Banner Specialty To Show Revamp "Match-A-Score" At CMI Convention

PHILADELPHIA, PA. — Al Rodstein, Banner Specialty Company, this city, wired in the information as we were going to press, that the firm had engaged exhibit space at the forthcoming CMI Convention to be held at the Hotel Sherman, Chicago, February 4, 5 and 6.

"We will display our new refurbish shuffle alley 'Match-A-Score' in two different models" stated Rodstein. "They will be novelty and free-play models.

"Banner will start delivering free-play 'Match-A-Score' games the day

after Christmas."

In describing the game Rodstein pointed out that it offers players ten different scores. When a score is matched, the free-play model awards the player from one to ten replays.

"Demand on 'Match-A-Score' continues to increase" reports Al, "and collection reports from various operators exceed our own fondest expectations. These two factors combined prove conclusively that 'Match-A-Score' is the game in demand now and will remain in demand for an indefinite period."

Additional Areas Listed Where Defense And Military Adds Population

WASHINGTON, D. C.—The Defense Production Administration this week designated several additional areas in the country as "critical housing areas", which indicates that a great deal of defense work is being done, or that military establishments have brought in large personnel. Wherever this condition prevails, coinmen find that their economical entertainment of games or music receives top play.

The areas designated are as follows:

Quantico, Va., area, consisting of Prince William and Stafford Counties and the independent city of Fredericksburg: Expansion at the U. S. Marine Corps school and air station and the Naval Hospital has brought in a number of added persons.

Othello, Wash., area: Added population.

Kingsville, Texas, area: Many additional persons at the Air Force Base.

Pleasanton - Livermore - Haywood, Calif. area: Air Force personnel at Parks Base adds large numbers of people.

Hondo, Texas, area, including all of Medina County: The newly re-activated Air Force Base has increased personnel considerably.

Parris Island, S. C. area: Influx of personnel has created housing shortage.

Kodiak, Alaska, area: Naval activities here has increased population.

Winter Harbor, Me., area: This area is isolated, but activities of two Naval Radio stations, have brought in added people.

Hawthorne, Nevada, area, including Hawthorne County: With great activity at the Naval Ammunition Depot, workers influx is heavy.

Ishpeming-Negaunee, Mich. area: Expansion of iron ore mining operations has created a housing problem here, with workers commuting from as far away as 120 miles.

Palatka, Fla. area, consisting of Putnam County in northeastern Florida: The Hudson Pulp and Paper Company has hired additional personnel, bringing an influx of workers.

Soda Springs, Idaho area: Expansion at Monsanto Chemical Company's phosphorous mine has brought in many construction and mine workers.

Fort Huachuca, Ariz. area: Activation of Fort Huachuca has brought in many workers, which is primarily a copper-mining center.

UNITED MANUFACTURING COMPANY

EXHIBIT SUPPLY CO.

The weather this week had a lot to do with the activity on coinrow—and so did the terrible mail situation. It snowed—it hailed—and it really poured. Operators who needed equipment very badly braved the elements and visited the wholesalers. Otherwise, some phoned for possible service—but mostly stayed away. As for the mail, the post office, loaded with Christmas Cards and Christmas parcel post packages, were evidently days behind in deliveries—and this went for first class mail. Wholesalers, contending with these disadvantages, were slowed down to a walk. Another factor was the holiday atmosphere that started early in the week, and will probably now continue until after New Year's Day.

* * * * *

One of the outstanding parties held here this week was that of the Automatic Music Operators Association. Operators, jobbers and distributors were invited to partake of the association's hospitality. Al Denver, president; Nash Gordon, manager; and Sidney Levine, attorney; plus the members of the board of directors; saw to it that everyone had a most enjoyable time. . . . Pin game operators who were operating in 1942 will recall the popular revamps "Thumbs Up", "Fishin'", and "Alert". Al Rodstein, who was running the Arco Sales Company, Philadelphia, Pa., at that time brought out these games. And now, in association with I. H. Rothstein of Banner Specialty Company, Philadelphia, Pa., a refurbished shuffle alley game, with many new twists, called "Match-A-Score" is being offered the trade. Banner is now appointing distributors thru-out the nation. . . . Mike Munves, so impressed with Exhibit's new "Jet Gun", that he gave Frank Mencuri, sales manager for the manufacturing company, such a terrific order that Mencuri at first thought Mike was pulling his leg. But Mike was deadly serious—and now it's all a question of sufficient production and delivery. Mike, by the way, and Rose, the missus, take a short holiday (the week-end and Christmas day) in Lakewood, N. J. . . . Willie Aronson, the ever smiling games operator, replies to our question of "How's business" with the youthful spirit of optimism and good cheer "It may not be as good as business was during World War II, I wasn't around, but it's better than last year, which I consider very good."

* * * * *

No publication can claim 100% circulation among the trade it covers, but in the opinion of many in the coin machine industry, "The Cash Box" should definitely be considered a necessary part of the coinmen's overhead of running their business. We, therefore, are exceedingly happy to reprint a portion of a letter we received this week from an operator in Long Island. He writes "I should have been getting 'The Cash Box' a long time ago. 'The Cash Box' is a magazine that really pays dividends. You are really doing a superior job on the Bryson Bill and ASCAP. As an operator—Thanks A Million." (Ed. comment: Thank you, Nunzio) . . . Perry Lowengrub, sales representative for Runyon Sales Co., lost his mother this week, who had been ill for quite a while. . . . Jackie Prigoff, Runyon's chief engineer, back from a three weeks' vacation in Miami Beach—and he looks it. . . . Barney (Shugy) Sugerman out of town for several days. . . . Dave Lowy, Dave Lowy & Company, quite active with his line of used shuffle games. . . . Lou Herman, White Plains, visits along coinrow. . . . Bob Luttmann and his beautiful missus stop off at several wholesalers—then rush to do some Christmas shopping. . . . Helen Summerman, secy to Al Simon, Albert Simon, Inc., takes off on her honeymoon the first of the year—it'll be an extended trip thru Europe. . . . Joe Young, Young Distributors, can't fill the demand for Wurlitzer 1400 phonos, and hopes the factory will keep his quota high.

* * * * *

Harry and Hymie Koeppel, Koeppel Distributing Company, regardless of stormy weather, etc., keep hustling to ship merchandise. Loads of replacement plastics go out each day, and the past few weeks has shown a marked increase in the sale of reconditioned phonos. . . . TO ALL OUR FRIENDS IN THIS AREA—AND THRUOUT THE UNITED STATES—OUR MOST SINCERE WISHES FOR A MERRY XMAS, AND A HAPPY, PROSPEROUS NEW YEAR.

THRU THE COIN CHUTE CHICAGO CHATTER

Real white Christmas ahead for all the guys and gals in this grand, big, bustling city of Chicago. But, so much snow? Is it necessary? . . . Big news of the past week here, was the defrosting of the Canadian market. This made many and many a guy feel terrific. . . . And quickly brought plenty long distance phone calls from our Canadian cousins for all kinds of equipment. But (and it's a big 'but') they all wanted the stuff for nothing. Or close to it. So the boys here told 'em, "We can sell whatever we can get and we're not interested, especially at this time, in giving the equipment away." . . . The Canadian dollar grew stronger by the second, immediately after the defreezing announcement. Fell from \$1.065 right down to \$1.025 and is expected to be on equal level with our good old, inflated, American buck any second now.

Grandest tribute we ever yet heard of paid to any music op's firm was that given Bob Gnarro's ABC Music Service. Over 200 attended Bob's opening (and in 10 below zero weather) to wish him all the grandest luck in the world in his new quarters and also enjoy Bob's very great hospitality. . . . The entire office gang over at Williams Mfg. Co. enjoyed a grand Xmas party right in the firm's extremely beautiful and spacious Starlight Room. . . . Harry Williams back in L. A. to enjoy the holiday season with his family. . . . Sam Stern taking his family down to Tucson for a coupla weeks. . . . And good ole Bill Ryan taking over at Williams as per usual. . . . The O'Donnell family ain't just ever gonna move again. Not if Bill (Bally) O'Donnell can ever help it. Bill and his family moved all the way from Hyde Park to a beautiful new home in Wilmette right during the height of that terrible blizzard. It was an all day job with plenty of nipped noses and stiff fingers. . . . Lyn Durant, Bill DeSelm, Herb Oettinger, Ray Riehl, and the entire gang over at United, were busier than ever this past week. The big United Xmas party took place Saturday afternoon at Dr. Herzl Community Hall.

Ray Moloney and George Jenkins were working practically 'round the clock this past week getting ready for the usual, big, Bally Xmas party. It took place this past Satty eve at the Bal Tabarin of the Sherman Hotel with the imitable Santa Claus, none other than Art Garvey, thrilling Bally's big gang of employees with the one perfect Santa Claus in the coinbiz. . . . Good ole Johnny (Beanbag) Casola came back from faraway New England to be home for the holidays. . . . Rumors have it that the CMI convention will be the "one and only" this forthcoming '52. . . . Also hear that the potent Bryson Bill will again come up for hearings in the Sub-Committee On The Judiciary in Washington on Feb. 4, '52. (This is the opening day of the CMI show in Chgo). And, from all indications, every music op in the nation had best prepare for the hearings. The best thing he and all his friends can do is to appeal to his and their Congressmen to stymie the bill in the Sub-Committee.

Jack Nelson just back from Washington this past week and says, "Everybody's out for the same thing." Which absolutely ain't no surprise. . . . Dave Gottlieb is making many plans for his firm for '52 (Silver Anniversary) year of D. Gottlieb & Co. . . . Electric fuses will be plenty short during '52 according to NPA news release. . . . Lex Vinson, popular Bally barber, expert at cutting bald heads, greatest in the world for smoothest shaves for bearded men, is still digging himself out of his Mundelein home. . . . Hear that Ralph Nicholson had his best sales year (1951) in all the time he's been with Bally. Talk about irony. Wally Finke so busy this past week he opened one of the game doors (trimmed in sharp steel) without paying too much attention. And got himself a terrible gash on his knee. So bad, Wally was put to bed by his doctor for a few days. . . . J. A. (Art) Weinand got his 15th year award from David C. Rockola this past week. A beautiful, solid gold wrist watch. These are given to employees who reach their 15th year of service with the firm. Over 100 of Rock-Ola employees gifted since this started right after War II.

Harold Saul over at Coven Distributing Co. surprised even Ben Cowen this past week by giving away free printed title strips to all ops who buy their records from this firm. . . . Roy McGinnis home sick this past week. . . . Paul Huebsch away visiting his family for the holidays. So John Conroe takes over and does his usual grand job. . . . There's plenty talk-talk about that Permo phono. Showing this past week created mucho excitement. Belief is that it may soon appear with more selections than even originally proposed. But, best to wait until first, original production model shown. . . . Frank Mercuri of Exhibit Supply had himself a really tough time getting down to his office this past week. What with the below zero weather freezing up his auto and the rush to get there, well, Frank a weary man each day when he, at long last, did reach his desk. (And what a batch of orders awaited Frank every day for "Jet Guns" and horses).

Mike Hammergren in town this past week. May pop with a big surprise. . . . Clayton Nemeroff came up with: "Happy Chanukah." Advising us that this important holiday started the very same time as Christmas Eve. . . . Smartest angle ever. The way Herb Jones played up the back glass of the new Bally Spot-Lite in such big, outstanding, easy-to-read display on the front cover of the firm's December issue of "Bally-Who." . . . Mort and Irv Secore (Secore & Secore) really have something outstanding in their non-coin operated counter game, "Scatter Ball." Can grab pahenty of those sales tax pennies anywhere in the nation. A natural for many an op. . . . If you think that only the first quarter of '52 (Jan., Feb., Mar.) will be rough on building new equip't, just wait'll you see what the quotas are cut down to for the second quarter (Apr., May, June, '52). In fact, discussions in Washington now going on as to whether many an industry should be entirely cut off from obtaining any critical materials whatsoever. . . . New games of the mfrs here, as the year started to fade away, were all among the greatest these factories had ever produced. In fact, some of the games the very best yet produced.

And now, as we close this last column of 1951, let us wish you, you and you, all of you everywhere, readers of this and all other columns of The Cash Box, the merriest of all Merry Christmases and the very happiest of all Happy New Years. Once again we promise you interesting, newsy, entertaining columns all during the coming year. And again, and we promise this solemnly, you won't see The Cash Box on newsstands where all storekeepers, politicians and the general public can learn all about this business. We'll keep faith with you. We hope that you will keep faith with us.

. . . we're calling to wish you . . .

THRU THE COIN CHUTE CALIFORNIA CLIPPINGS

It looks like a Merry Christmas and a nice running start on the New Year for most of the folks around the Los Angeles Row, their friends and customers. . . . What with the long holiday weekend, many distributors will uncork the cheer that flows on Friday and continue pouring all day Saturday, probably picking up again on Monday. . . . Several Pico Blvd. employees we talked to thought it would be a good idea for the bossman to close down on Monday, but it's the old story of competitive merchandising without benefit of an effective association: Each one of the distribs would like to close, but he's afraid the one guy up the street, who wouldn't, will catch any action that comes along. . . . Local music operators got in the spirit early this year with the party arranged by Bill Leuenhagen, Mary and Kay Solle at Rodger Young Auditorium on Tuesday night, December 11. The talent line-up was the finest ever showing for one of these affairs, and the audience turnout was also a good one, despite a big wet mess of unusual weather.

The many folks who had to leave before 11 p.m. missed what was undoubtedly a highlight of this evening, or any other place. It'll never happen at the Mocambo or Ciro's, for sure. Jo Stafford and Paul Weston, who were recording that evening, showed up soon as they could and followed "Temptation" and "Embraceable You" with "Shrimp Boats". In lieu of the Norman Luboff Choir, who weren't on tap, several of the musically inclined people on hand improvised the "normal goofoff" choir and did a fine job, but one that shouldn't overfret the Luboff group. With Paul at the piano and Jo playing it as straight as she could, her choral backing included Mary and Kay Solle, Joe Papps, Columbia sales chief for the Ray Thomas firm, Ray Woods of the same outfit and operator Orville Kindig's wife Melba. There was also an offkey baritone who shall remain nameless as we suspect him of being in the pay of another label.

A brief recap on the evening's entertainment, just so the folks who were frightened away by a little liquid sunshine, will know what they missed: A terrific turnout of talent by Columbia and Capitol, Ray Woods and Jack Devaney lining up Jo Stafford, Paul Weston, Toni Arden, Johnny Bond and the Callahan Bros. while Capitol's Joe Mathews also scored heavily with Les Paul and Mary Ford, Ramblin' Jimmie Dolan, Eddie Dean, Dottie O'Brien and Gisele McKenzie (whose gracious personality registered well even with her sore throat preventing her from singing). . . . Representing RCA-Victor was Hank Penny, who did a real fine job of emceeing, singing a few and having his guitar on hand for all the other folk singers who'd forgotten to tote their own. . . . Decca's contingent was headed by Jack Owens, a real crowdpleaser, and Les "Carrot Top" Anderson, whose carrot-top decorated outfit tops anything we'd seen in cowboy clothes. . . . Other artists showing were Dede Martin and Sue Thompson of Mercury, Coral's Curt Massey, Eddie Cletro of the new Lariat label, and Taxco's Reuben Reyes, a lad with a fine voice. . . . Dee-jay Johnny Grant opened the show as emcee, but had to leave for a radio program.

Reco distrib people on hand included Ed Nielsen and Jack Perkins of Capitol. . . . Lee Palmer of Mercury. . . . Mike Kurlan of Modern Distributing (Coral). . . . Joe Papps, Ray Woods and Emil Jannarotta of the Ray Thomas Co. (Columbia). . . . Uncle Art Satterlee of Columbia. . . . Floyd Huffine and Norman Goodwin of Decca. . . . Music publishers Charlie Adams and Hal Blair. . . . Press agent Red Doc.

The folks out front, enjoying the show, feeling like this was a good business to be in and grateful to the Leuenhagen organization for throwing such a fine clambake (suds and popcorn on the house) included the following operators, many with their wives and youngsters, who thought the western singers the best ever: From every end of town came Rusty Jones, Ray Palmer, Ray Powers, Homer Razor, F. K. Leinart, L. W. Leinart, Mario Friarte, Ralph Cragan, Jimmy Marshall, Gunder Olsen, Jim Owens, F. V. Bohner, Johnny Gunnerson, George Hubbard, Al Hanlin, Frank Robinson, Tommy Robinson, Ralph Norton, George Nachtwein, Bill Ferguson, Clem Seifort, Harold Sharkey, L. G. Shockey, Walter Hemple, Bill Gordon, Clyde Fields, Earl Cole, Hal Sherry (of the IBEW Union), W. O. Adkins, Louis Uhl, Orville Kindig and many others whose names we didn't get.

THRU THE COIN CHUTE NEW ORLEANS NOTES

We are glad to head this week's column with congratulations to Dorothy and Ken Elliot who were married in Jesuit Church last Thursday. Ken is one of our favorite disc jockeys who is known to his vast listening audience as "Jack the Cat." . . . Smoke signals went up in New Orleans announcing "we'll be home for Xmas" as Marian Jones of Delta Music Sales and Johnny Thompson of Gramophone Enterprises hopped aboard a plane for "Big D" Texas. . . . Hey, we just heard that Mrs. Taft Odder is up and about after a long illness. Glad to hear Mrs. Odder is doing so well. . . . Bob Rooney and Leonard Levine are on a remodeling program and after having done over their cocktail lounge & bowling alley in Baton Rouge, they are enjoying a terrific business. What with the A-1 Amusement Company and their outside interest, the boys are kept pretty busy.

Nick Carbajal, Crown Novelty Company, returned from a two day trip through the Cajun country. . . . Nick also rigged up a loud speaker for the outside of his home so the passing traffic could enjoy the season's carols. Sounds awfully nice, Nick. . . . Z. Z. Chapman, Conticello, Miss. in a big rush back to home base. . . . Cliff Johnson in a mad rush as usual. . . . Ben Andrews of McComb, Mississippi, having a look see at F.A.B. Distributing. . . . Fletcher Blalock back in his office following a trip through his territory. . . . Caught a glimpse of Frank Anselmo of Johnnie's Music House, setting a 1400 in his top location. . . . John McDonald and E. B. Stewart, F.A.B. Distributing, report the Mississippi and North Louisiana territory very active. . . . Anthony Mele of Hammond making one of his rare visits to Nola. . . . My three buddies from Tam Amusement, Nick, Happy & Joe wishing everyone a Merry Christmas. . . . And from all of us to all of you we wish the same.

CLASSIFIED ADVERTISING SECTION

SURE I'M HAPPY

It's results that count. When I advertised the machines I had for sale in The Cash Box classified ad section believe me, brother, I GOT RESULTS.

In fact, I wish I had ten times the number of machines to sell, because the orders are still pouring in.

Where in all the history of the coin machine industry can you spend only 10c a word for a classified ad and get the kind of results you get in The Cash Box?

No wonder The Cash Box prints more classified advertising each week than all the other publications combined print in a month.

Take my advice, brother, if you've got something for sale, spend 10c a word and put it in The Cash Box classified advertising section immediately.

Also, if you want-to-buy machines, parts, supplies, or anything else do the very same thing. The cost is no more. Just 10c a word and you'll GET RESULTS . . . THAT'S WHAT COUNTS!

THIS WEEK'S USED MACHINE QUOTATIONS

How To Use "The Confidential Price Lists"

FOREWORD: Many times, wide differences appear in the high and low prices of certain equipment. Like any true reporter "The Confidential Price Lists" can only feature the market prices as they are quoted. "The Confidential Price Lists" acts exactly the same as the market quotation board at the Stock Exchange—posting the prices as they are quoted for the past week, regardless of how much they may seem to be out of line. Some prices do not change for months. "The Confidential Price Lists", rather than show no price, retain the last known quotations for such equipment so that the subscriber at least has the last known prices as a basis to work with. Prices may be very widely divergent. Someone on the West Coast may feel a certain machine worth \$150.00 whereas someone on the East Coast may think it worth but \$75.00. Of course, serial, appearance, demand, territory, quantity, and condition of equipment must be taken into consideration. (Some equipment offered by outstanding firms, having a reputation for shipping completely reconditioned machines, will be offered at higher prices than others, due to the added costs of reconditioning.) "The Confidential Price Lists" reports each quotation exactly as it is made and depends on the subscriber to make average price adjustments to fit the peculiarities of his territory.

METHOD: "The Confidential Price Lists" should be read as follows: First price listed is lowest price for the week; Second price listed is highest price.

This Week's Used Market

The market created in last week's used machine trading showed signs this past week of continuing along the same pattern. The marked increase in activity and the slight increase in price were again visible in the market and prospects are that it will remain this way for some time. All the divisions of the used equipment showed up quite strongly, and as was the case last week, the pin and shuffle games led the way. Asksings for all the machines either held firmly or rose slightly. A negligible amount of pieces brought very small decreases.

Although the pin games had the greatest amount of trading last week, it also had the distinction of showing the most decreases in price, however this week's bartering tended to leave prices where they were or to raise them a trifle. This section of the market seems to be in a healthy position and should continue along these lines. A few new pieces were quoted

for the first time this week while the most recent entries into the market maintained their activity.

The music machines and equipment showed very little change over last week's listing. Prices and activity were consistent and in general it can be said that this division, though lagging somewhat by comparison, should bust out in the near future.

As was the case last week, the shuffle equipment had the heaviest traffic and indications seem to show that it will persist in this pattern. The large amount of new machines that were quoted for the first time last week were once again on the market with an equal amount of activity. Prices here followed the general trend with all ranges remaining quite constant. No noticeable change was apparent in the arcade pieces with last week's trading holding for this week's as well.

The following was the most active equipment in this week's used market:
